

# BOGAN BINGO

In 2005 two guys got together and created a game show designed to get the entire country in touch with their inner Bogan. Now eight years on, and over 700 crazy shows later in Australia, Canada and the UK, it seems the entire world is in the grips of Bogan fever.

The show and its budding team of wannabe rock stars, perform at pubs, festivals and work functions all around the Country! So check out Bogan Bingo, because when it comes to jumping on the Bogan bandwagon, we built it! During the game of Bingo, the numbers are continually prompting parts of songs, jokes, group 'shout outs' and air guitar competitions that have the crowd being the stars of the show.

It's a night where you don't have to think, giving you more time to drink! All sound and DJ equipment is supplied, along with all the bingo materials, and the show can be worked around the type of event you wish to create. We can also tailor the show so the content is suitable for your clients or team. The bingo calls are done over the top of an 80's anthem rock filled soundtrack that takes everyone back to the days of Guns and Roses, Van Halen, Chisel and Bon Jovi.

By the end of the night, everyone is waiting for the chance to yell out "Bloody Bingo", and sooner or later, after everyone has found their inner Bogan, the retro rock can keep playing all night long.
