

A fundraising opportunity in conjunction with the

Sit Down Comedy Club...

The Sit Down Comedy Club is one of Australia's major producers of Stand Up Comedy. It was established in 1992 and continues to present weekly stand-up comedy shows at the Paddington Tavern. The Sit Down Comedy Club and its regional circuit remains the premier tour for interstate and international performers visiting Queensland. Over the years the Sit Down has hosted Arj Barker, Carl Barron, Dave Hughes, Eric Bana, Jimeoin, Judith Lucy, Lano and Woodley, Mick Molloy, Rodney Rude, Ross Noble, Steady Eddy, Wil Anderson amongst many others.

Over the years, the Sit Down Comedy Club has helped many organizations raise funds on a one-off or regular basis. It's simple.....

Bring your group to an existing Sit Down show – no minimum purchase

The Sit Down Comedy Club presents new shows every week. Tickets can be made available to your group at a highly discounted rate of \$10 for shows on Wednesdays and Thursdays or \$15 on Fridays. Your organization members can then sell the tickets to your supporters for anything up to full price (\$30.00) with all the profit going to your group. There is no minimum or maximum to buy and you only pay for the tickets sold so there is absolutely no cash outlay for your organization.

For example even if only 20 tickets were needed on a Wednesday or Thursday, at \$20.00 profit per ticket for your group, that's \$400 raised. It's as easy as that.
